

# WHY ANNUAL REVIEWS MATTER

## IMPORTANT CHANGES

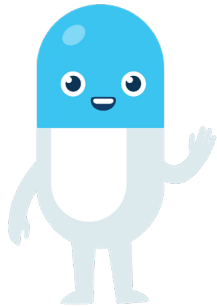

### DOCTOR NETWORKS

Your doctor may decide to pull out of your network. These change very year, so make sure to check them.

### DRUG FORMULARIES

The drugs covered on your prescription drug plan can change every year, including their cost.

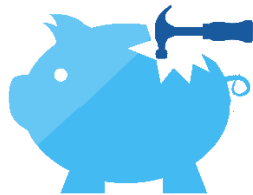

### HOSPITAL NETWORKS

Not only do deductibles for emergency services change, but you want to make sure there 's a hospital near your home that accepts your plan.

### FINANCIAL MISTAKE

87% of seniors don't review their Medicare plans, which costs them an average of \$720 annually.

## EXTRA ANTICIPATED COSTS

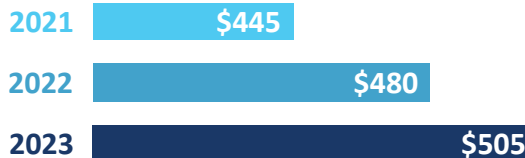

### DONUT HOLE AND SURGERY

Do you think you might hit the donut hole this year? The threshold in 2023 is \$4,600.

If you're anticipating a pricey surgery, you might want to consider an alternative plan.

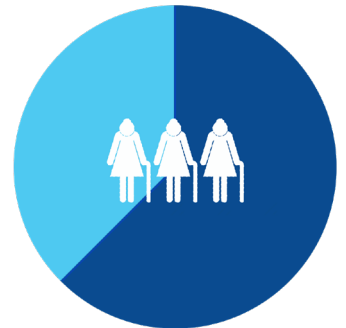

## OTHER THINGS TO KNOW

**PART D DEDUCTIBLE**  
The deductible is increasing every year.

### MISINFORMED MEDICARE CHOICES

3 out of 5 seniors are on the wrong Medicare plan. There are thousands of combinations of different plan choices. Make sure you narrow down the ones that are best for your needs, and not your friends or family members needs.
